Mappe per giochi d'orientamento

The image contains three identical empty rectangular boxes arranged horizontally. Each box is divided into three horizontal sections by two thin lines. A solid green circle is positioned at the top-left corner of each box, serving as a starting point for an orientation map.

Mappe per giochi d'orientamento

The image contains three identical, empty rectangular boxes arranged horizontally. Each box is divided into three horizontal sections by two lines. A solid green circle is positioned at the top right corner of each box, serving as a visual marker or starting point for the orientation maps.
